

Grace Community Church Charity Walk 2019

Introduction of Grace Community Church:

Grace Community Church (GCC) is an independent self-sustain church, founded on 7th September 1997. Since our establishment, GCC follows and pursues the Great Commission (Matthew 28:18-20), serving the community and building up a closed neighborhood. As Christians, we live our life through cell group fellowship (a small group of people approx 7 persons), allowing every participant to experience the love of God and fellows, as well as to live out the love our Father teaches us. Besides weekly fellowship, everyone is welcomed to enjoy our dynamic and festive services every Saturday and Sunday. Tsuen Wan is the district GCC has committed to serve, from youngsters, teenagers, labours to family. We sincerely looking forward to partner with you, walk with you as your friend, sharing your ups and downs in life as one family.

The Purpose of Fundraising:

Our community work has been continual reaching out to all ages: Rainbow Land for aged 2-6 (樂兒天地), Stage One Youth Network for teenagers (新起點青年網絡), Sweet Heart (好心人義工), Community Canteen for elderly (社區飯堂), Bible Lunch for labours (福音午餐), Counseling Service (輔導服務) to name a few. The serving groups have been multiplied thus a high demand of manpower and operational budget. We have a vision of owning a 1,500 sq. ft. unit as a base in developing family and next generation educational and social needs. To achieve this vision, we would require to raise HK\$10,000,000 while 30% will be used as reserve and ongoing development.
